

# Can you help our gardens grow?

**Do you have a passion for gardening and working with others? Do you like sharing knowledge, fun, and good food?**

## **Helena Community Gardens is looking for volunteers!**

### **1. Garden Managers---an opportunity to work as a team to organize and manage a community garden!**

Includes signing up gardeners, building community in the garden, organizing volunteer tasks for gardeners, and addressing general garden needs. Current needs are co-managers at Bausch Park, Janet St. Park, and Selma Held Park

Commitment--Approx. 1 to 5 hours/week from April through October, plus 1 Garden Manager meeting per month from February through November

### **2. General Volunteer for various projects and events**

These needs could include helping with garden maintenance projects or overseeing volunteer group projects, like spreading wood chips, harvesting produce for Helena Food Share, weeding, etc. Occasionally we need help with equipment and bed maintenance/repair.

HCG also hosts many fundraising events and welcomes help executing these events

Helena Food Share garden (a partner organization for HCG) also needs volunteers for weeding, watering, and harvesting produce, and working with new Farm Stand

Commitment--varies, usually a few hours depending on group/project/event, and can be one time or ongoing

### **3. Committee members**

HCG committees keep our organization thriving and are a great opportunity to share your knowledge, expertise, and enthusiasm for growing!

We welcome people to join who are interested in *Governance, Finance/Fundraising, or Events and Outreach.*

Commitment--Usually one meeting per month, plus a few hours of work on tasks
