

# Calling all cooks!! We want your favorite soup recipes for a Helena Community Gardens cookbook.

Over several years, Board members and staff of Helena Community Gardens have served many delicious soups for the family dinners at St. Paul's Methodist Church. We have often received requests for the soup recipes and have decided to compile these recipes and other favorites into a cookbook. This will be a fundraiser for Helena Community Gardens.

## Here's how you can help:

Find a special soup recipe, whether or not it has been served at one of the Church's family dinners.

Go to [www.CookbookFundraiser.com/book/16505558545456520E](http://www.CookbookFundraiser.com/book/16505558545456520E)

- A. In the log in area in the "Your Name" field, enter your name as contributor as you would like it to appear on your recipe. It could be your name or something like "The Smith Family"
- B. Next enter your email address so we can keep you up-to-date with this project.
- C. Finally, click the "Log In" button and enter the **contributor password: kitchen97**

Once on the cookbook homepage, click on "Add a Recipe" under the recipe tools.

Enter the name of your soup. Then select the category/type of soup. This information will be used to divide the cookbook into chapters. NOTE: Some soup recipes may fit into more than one category. Choose what you think is the best category. Enter the ingredients and directions for the recipe. When you are finished, click Save.

***The deadline for submitting recipes is Friday, January 19, 2024. Please help us to make this fundraiser a success and submit at least one recipe before the deadline.***
